

Regulation for the Millennial Competition in Creative Industry

Article 1

- (1) The Millennial Competition in Creative Industry is an international competition organised for primary and secondary school pupils and students from the Republic of Croatia and from abroad, designed according to pedagogical and methodological standards (hereinafter: Competition).
- (2) The topics of the Competition are Cultural identity, Silk Road and Mythology.
- (3) The organizers reserve the right to add a guest topic. The selection of the guest topic will be announced by the organizers at least nine months before the start of the competition. The guest topics will be selected by the theme editor.
- (4) The goal of the Competition is to encourage contestants to participate in extracurricular activities for the development of skills, critical thinking, creativity and improvement of acquired knowledge.

Article 2

- (1) Competition is organised by the Faculty of Economics in Osijek (hereinafter: Organiser).
- (2) Josipa Mijoč is the Competition Manager (hereinafter: Manager).

Article 3

- (1) Organiser and Manager have the exclusive right to interpret the Regulation in the interest of achieving fairness and equality, which includes deviation from these rules when necessary to maintain honesty and equality. In case of deviation from the Regulation, persons participating in the Competition will be notified immediately.
- (2) Circumstances that are not regulated by this Regulation shall be regulated by the Organiser and the Manager.
- (3) In the cases referred to in paragraphs 1 and 2, an appeal is not allowed.

Article 4

- (1) Persons involved in the Competition are: Judging Committee, managers of the national and international part of the competition, coordinators of competition categories, organising board, participants, mentors and experts in the field of creative industry.
- (2) The Judging Committee consists of teachers of all educational levels and experts in the creative industry.

Article 5

- (1) In the competition category "Creative Clock", pupils of all primary schools in the Republic of Croatia and outside the Republic of Croatia enrolled in the school year in which the Competition is held may apply to the Competition.

- (2) In the competition category "Creative Calendar", pupils of all secondary schools in the Republic of Croatia and outside the Republic of Croatia enrolled in the school year in which the Competition is held may apply to the Competition.
- (3) In the competition category "Creative Planet", students of all higher education institutions in the Republic of Croatia and outside the Republic of Croatia enrolled in the school year in which the Competition is held may apply to the Competition.

Article 6

- (1) Each team must appoint a team leader (teacher) who guides their pupils/students in the development of solutions).
- (2) One team leader (teacher) may lead a maximum of one competition team, and contestants may participate in only one competition team.
- (3) A competition team may not have additional participants/partners/mentors/advisors when participating in the Competition.

Article 7

- (1) Applications for the Competition are realised by filling out the online application form on the official website of the Competition (milenijsko.efos.hr/en).
- (2) An exceptional extension of the application deadline shall be announced by the Organiser on the official website of the Competition (milenijsko.efos.hr/en).
- (3) Team leader (teacher) is the person who leads the contestants in the application process.

Article 8

- (1) By applying for the Competition, the contestants agree to the publication of personal data for the purpose of conducting the Competition, public announcement of the winners, awarding and realisation of the Hydrogen award and publication of materials related to the Competition and popularisation of the creative industry.
- (2) An example of a permit is proposed by the organizer.
- (3) The permit will be sent to the organizers when the team submits the conceptual solution.

Article 9

- (1) Competition team submits the conceptual solution via the form available on the website of the Competition (milenijsko.efos.hr/en).
- (2) Contestants must submit the conceptual solution within the given deadline, and submission of the conceptual solution after the expiration of the given deadline will not be accepted.
- (3) The final deadline for submission of the conceptual solution is the announced date of the category by 23:59 CET (UTC +1).

Article 10

- (1) Members of the competition team present their solutions with a five-minute presentation before the members of the Judging Committee of the registered category.
- (2) All members of the competition team participate in the presentation of the solution in the presence of the team leader (mentor).

Article 11

- (1) Members of the Judging Committee are appointed by the Manager.
- (2) Judging Committee evaluates the presented solutions of all registered competition teams according to the Grading Principles of the category. Grading Principles by categories are publicly available on the official website of the Competition (milenijsko.efos.hr/en).
- (3) The names of the members of the Judging Committee will be announced after the conclusion of the competition.

Article 12

- (1) In each of the three categories, teams with the highest number of points win one of the first three places.
- (2) The awarded team members are presented with the Hydrogen statue (first place) and Certificate of placement (second and third place).
- (3) All participants in the Competition shall be given a written certificate of participation:
 - a. to team leaders for mentoring and
 - b. to contestants for participation in the international Competition.
- (4) In the "Creative clock" category, the Commission has the option of awarding two first place awards. Two subcategories are provided for primary schools: Classroom and Subject Teaching.

Article 13

In the event that the submitted conceptual solutions and the presented solutions of the competition teams are the subject of intellectual property rights, authors (contestants) of the solution retain all intellectual property rights.

Article 14

Contestants are not entitled to reimbursement of expenses incurred during the Competition.

Article 15

Contestants are expected to follow the official website of the Competition (milenijsko.efos.hr/en).

Article 16

Any non-compliance with the rules of the Competition stated in the Regulation and other conduct of contestants that is not in accordance with the conditions and purpose of the Regulation is the reason for the exclusion of the contestant or the competition team from the Competition.

Article 17

- (1) Amendments to the Regulation are made by the Organiser with the obligation to inform the persons participating in the Competition.

(2) In the event that a provision of the Regulation is unclear or there is a discrepancy between the provisions, the body referred to in paragraph 1 of this Article is authorised to interpret the disputed provisions and make a final decision on them.

Article 18

Regulation enters into force on the day of publication on the website of the Competition.
